

Weekly Meeting Report (DUE every Sunday by 11:59 PM)**Group Members:**

Hailey Skoglund
Gus Lipkin
Maverick Hope

Project Title:

Correlating Patient Feedback to Avoidable Readmissions and Patient Experience Outcomes

Week of: 02/14/2022 – 02/20/2022

1. Provide the times and days you spent working on your project (as a group) during this week.
List the names of the team members who attended and did not attend the meeting
 - Monday: 12:00-12:50 PM, everyone attended
 - Wednesday: 12:00-12:50 PM, everyone attended
 - Friday: 12:00-12:50 PM, everyone attended
 - Saturday: 12:00-12:50 PM, everyone attended
2. Provide a brief update on the meetings with your sponsor.
 - Met with Jessica on Teams. Discussed the following:
 - Talked about the website and IP ownership
 - Sponsor will get back to us
 - Realized that we are missing some crucial data that was stripped when PHI was stripped
 - Sponsor will get back to us
 - We will keep checking our results
3. Describe what you accomplished or attempted to accomplish over the past week.
 - Met on Teams call with Jessica
 - Worked on stories for website
 - Made midterm presentation
4. Make sure to mention any difficulties you may have experienced during this week.
 - None 😊
5. List at least two items you will be working on next week.
 - Write stories for website
 - Meet with sponsor about IP and missing data
 - Check if length of stay affects outcome
